

Downloading books from Anaya

To read the books from Anaya you have to access to a link that will let you download a file which you have to visualize with Adobe Digital Editions.

The link can only be used once. Only one download is allowed. The same file can be downloaded to various devices if they have been authorized for the same Adobe Digital Editions account.

To authorize a device, enter your Adobe ID during installation of the software or from the Adobe Digital Editions > Library > Authorize Computer option.

The books are examples, so they may not match with your course material.
